# Being There Is Easier Than Ever

**Your firm wins—**  
use billable time efficiently,  
eliminate scheduling conflicts  
and increase staff participation.

**Your client wins—**  
slash travel expenses,  
improve communication and  
expedite decision making.

**You win—**  
be more productive,  
eliminate travel stress and  
have more time to enjoy life.

*When you need to be in more than one place at a time, call Affinity.  
We'll show you how easy, efficient and economical "being there" can be.*

## Why Videoconferencing?

- ◆ Eliminate travel expenses, including airfare, hotel costs, extra travel days, and stress due to travel
- ◆ Save your clients significant costs
- ◆ Enjoy private, professionally appointed facilities
- ◆ Synchronize exhibits and documents
- ◆ Obtain legal support services on-site
- ◆ Utilize broadcast quality connections
- ◆ Feel confident with trained videoconferencing specialists
- ◆ Choose from hundreds of locations worldwide

## What is Videoconferencing used for?

- ◆ Depositions
- ◆ Expert Consultations
- ◆ Interviews
- ◆ Presentations

# Evidence In It's Most Powerful Form

Seeing a witness on videotape is far more compelling than reading the transcript from a cold paper record. Video shows long pauses between the question and answer, hesitations, nervous glances to counsel, and other things that just do not come through on paper.

It's a proven fact...  
people remember far more when  
they see it, as well as hear it.

*Seeing is Believing....*

*Affinity Video Specialists* provide the following services:

- ♦ Videotaped Depositions, Expert Testimony, and Examinations Under Oath
- ♦ Audio/Video Duplication and Conversion
- ♦ Day-in-the-Life Documentaries
- ♦ Video Settlement Brochures
- ♦ Mock Depositions/Mock Trials
- ♦ Witness Preparation
- ♦ Split-Screen & Multi-Camera Shoots
- ♦ Audio Only Recordings (IMEs)
- ♦ Living Wills
- ♦ Courtroom Playback and Trial Presentation Systems
- ♦ Encoding/Digitizing for use with Trial Presentation Platforms
- ♦ Video Editing
- ♦ Video-to-Text Synchronization
- ♦ Vehicle Inspections
- ♦ Scientific Testing
- ♦ Media Restoration/Preparation
- ♦ Site Inspections
- ♦ Non-Linear Video Editing

Do you have a need for a professional photographer?  
Let us create high-quality professional portraits of  
your attorneys and staff, either in our studio or your offices.

# Capture The Attention Of The Jury

The 21st Century jury welcomes the advances in video technology as a way of receiving evidence in its most powerful form.

**Affinity's** professionally trained trial consultants will help you prepare a precise, thorough and visually compelling case to present to a judge or jury. We offer an unsurpassed trial presentation package that consists of the following for that visual impact:

- ♦ Trial Director software preinstalled on laptop
- ♦ Interactive 50" or larger SmartBoard for jury
- ♦ Additional 42" plasma screen with mobile base
- ♦ 14" - 21" LCD screens supplied to plaintiff's table, defense table, judge's podium and video operator or paralegal
- ♦ Preloaded and identified exhibits, transcripts and video installed on laptop, CD, DVD and/or memory stick
- ♦ Projector, Elmo, printer and scanner
- ♦ Sound system for audio playback
- ♦ All cables and supplies necessary for trial package

Let **Affinity** customize your trial package and demonstrate our latest state-of-the-art courtroom technology and video-to-text synchronization presented on DVD.
